Super Mario 64 Psp Iso Cso Loader

If anyone has experienced anything similar to this, id'e sincerely appreciate any advice.. It seems nearly every title iv'e played so far has had strange display issues when fmv's and (sometimes) cutscenes are playing.. ArchivedIv'e been playing ripped psp images for a short time now and iv'e got a question regarding the quality of the experience.. System: Nintendo 64 Emulator: Project 64 Size: 24 MB How to Play? Download Emulator Save ZIP File in Roms Folder Load File with Emulator File Download Related GamesPokemon Stadium (N64)Mario Party 2 (N64)Mario Party (N64)Super Mario 64 (N64)Paper Mario (N64)Mario Golf (N64)Mario Kart (N64)All Star Tennis 99 (N64)Monopoly (N64)Aerogauge (N64).. 6 20 TN-B (HEN) Released!! Homebrew Enabler for all PSP model Dridri is reporting progress on his ISO Loader on our forums, hopefully this will work with little.. Be it a stutter in the animation sequence or even just an all out freeze, iv'e simply been having issues with it.. In most cases, every psp iso or cso file iv'e played has worked fine All except cutscenes and fmv's.. Thank you Also, my psp is a 3000 model I use '6 60 PRO -B10' as my operating system..
